

JULIE HYDE

UNLEASHING LEADERS OF INFLUENCE

The Queen Bee of anti-busy. Julie Hyde is a leadership guru who believes that 'busyness' is code for burnout. Creating a buzz wherever she speaks, Julie enthralles audiences with her frank assessment of 'busy' and how it is crippling your business.

Julie believes that business success is rooted in powerful, influential leadership. And that you can only be a truly effective and relevant leader if you take ownership of your 'busyness', unshackle yourself from its constraints and give yourself permission to prosper.

An author and highly sought after speaker, Julie empowers audiences with practical, game-changing success strategies that challenge what you thought you knew about leadership. Julie's keynotes and workshops are delivered with compelling insight, honesty and humour, and their impact is felt long after she steps down from the lectern.

Breaking the Busy Barrier

The world is busy and that's not going to change. We have to make busy work for us rather than against us. But how do we do that in a world that is relentless, when our inbox fills up as soon as we've cleared it, and technology means we are constantly accessible? In this thought-provoking sessions Julie challenges your thoughts on busy, explains the eight different types of busy and how they impact you, your peers and your team.

Leading from the front

Leadership has evolved, and it will need to continually evolve to stay relevant in a world that is volatile, uncertain, complex and ambiguous. Leaders must now lead from the front, listen differently and engage collectively to be relevant, influential and have impact. What example do you set? What legacy are you creating? What do you stand for as a leader? Julie will inspire you to embrace a new style of leadership that gets results.

Get Relevant, Get Results

Knowing your strengths, core values and what you stand for is essential if you want to lead with confidence, influence and have impact. But in the business landscape it can be challenging making decisions that align with your values. Julie explains how creating and owning your personal brand will not only increase your professional value and influence, but also benefit those in your workplace.
